

ON THE SHOULDERS OF GIANTS

ERRATA!

- (1:18) The name of the puzzle was accidentally taken from an earlier draft. It should read *They Might Be Giants*. (This changeup is minor and shouldn't affect solving, but it always helps to cover our bases.)
- (2:08) I'm not sure why we didn't notice this right off the bat, but the ordering of the pictures displayed is incorrect. The correct order (referring to each player in the obvious way) is 9, 8, 1, 3, 7, 2, 4, 6, 10, 5.
- (3:25) No, we didn't bring in a pinch hitter to co-author this puzzle — it's just a typo in the byline.
- (4:13) Some teams have complained that the captions were illegible. While this accusation seems like a bit of a stretch, it makes sense to clarify since we're not exactly batting 1000 on this one. They should read (in original, unedited order): E. FILES, C. DRYER, J. SOAR, B. BARRY, W. KEUPER, T. MAXSON, R. SCHULER, S. HILLEBRAND, H. SCHNELLBACHER, J. STEVENSON.
- (5:05) There's been a horrible miscommunication. (I suppose this is what happens when two puzzle writers never touch base?) Unfortunately, it sounds like we may need to throw this one out...
